# AUGUST 4, 1987

Poughkeepsie Galleria opened its doors to the public

# TO OUR FRIENDS, PARTNERS, NEIGHBORS AND GUESTS:

Poughkeepsie Galleria experienced another successful year with the non-profit groups of Poughkeepsie, our host community, and all of Dutchess County! Poughkeepsie Galleria donated space to over 50 non-profits and collaborated with them to hold many special events at the center in 2025. Partnering with and giving back to our community is important to us and we believe it is part of what makes the center successful. We are pleased to work with all non-profit organizations looking to benefit from the center, whether a tabling opportunity for fundraising and awareness campaigns, a community room for training or a large event in the common area. Our doors are always open! Together, we can make a difference.

# NATIONAL NIGHT OUT

The Town of Poughkeepsie National Night Out is an annual event hosted by local police departments to help promote police-community partnerships. Millions of people around the country gather to enjoy yard games, live music, face painting, meet and greets, and more!

This year, Target Poughkeepsie sponsored the event by donating food, beverages, activities and more!

# BLOOD DRIVES

Poughkeepsie Galleria partners with the American Red Cross and New York Blood Center to serve as one of their donation centers. In 2025, we hosted 35 blood drives and proudly collected over 1,000 donations!

# JOB FAIRS

Poughkeepsie Galleria hosts multiple job fairs each year, connecting job seekers with local businesses that make a positive impact on our community. One of these events is held in partnership with the Dutchess County Regional Chamber of Commerce, where top employers from across the region table to share opportunities, making it a key event for networking and career growth.

# RADIO PARTNERSHIPS

Poughkeepsie Galleria is proud to work alongside local radio stations that play an important role in connecting our community, including WRRV, Q92, K104, WPDH, Wall Radio, and more. Through these partnerships, we're able to bring energy, visibility, and added value to community events held at the center. Our radio partners support initiatives like Tykes Tuesdays and Shop With A Cop, host live appearances, provide music and prize giveaways, and help create memorable moments for families.

# TYKES TUESDAY

Tykes Tuesdays is a fun, free weekly event for children 12 and under, hosted every Tuesday at our center during July and August. Each week, kids can enjoy interactive activities, arts and crafts, games, and more. This family-friendly event provides a great opportunity for children to get creative and have fun in a safe and welcoming environment. We're proud to offer Tykes Tuesdays as a way to bring joy to local families and provide an engaging experience for the youngest members of our community.

# SHOP WITH A COP

One of our most heartwarming annual events is the Shop With A Cop event. In partnership with the Town of Poughkeepsie PBA, WRRV, and local law enforcement, this program spreads holiday cheer to families in need. In 2025, we were able to help over 30 kids!

# COMMUNITY TESTIMONIALS

“Our longstanding partnership with Poughkeepsie Galleria is a shining example of community collaboration in action. For more than twenty five years, their dedication to hosting 200+ blood drives has resulted in the collection of approximately 6,000 lifesaving units of blood. Together, we’ve helped ensure a steady blood supply for patients in need and created countless opportunities for local donors to make a lifesaving impact. We are deeply grateful for their unwavering support and commitment to our mission to save lives.”

“For nearly 30 years, New Horizons Resources, Inc. has partnered with the Poughkeepsie Galleria to host monthly meetings of Speak Out, a local self-advocacy group. This partnership has supported NHR’s mission to enable people with Intellectual Disabilities to lead fulfilling lives within their local communities. The Galleria has been instrumental in fostering a welcoming environment that supports the personhood and belonging of people with differing abilities as vibrant, contributing and valuable members of the greater community.”
