**Buffalo, NY:** Ashcroft & Oak Jewelers, a family owned and operated jewelry retailer, is opening a new store location at Walden Galleria today. The Chicago based brand offers a selection of engagement rings, diamond fashions and gemstone jewelry. With locations in the northwest and southeast United States, the Walden Galleria location will be the first Ashcroft & Oak in the northeast. The newly constructed store is located on the upper level of the super-regional shopping center, at the forefront of the Food Court.

The Ashcroft & Oak company promises jewelry created “for now & forever” building their brand upon unparalleled guest service, gorgeous selection & lifelong jewelry protection. A true American success story, having grown from one store to now 81 retail locations, Ashcroft & Oak prides themselves on delivering a family-owned experience to make moments special, as they have been doing for over 100 years.
